Re: In the Matter of Rosmarins Land Holdings, LLC and Camp Rosmarin, Inc.
Docket No. TSCA-02-2017-9282

Dear Mr. Rosmarin:

Enclosed is the Complaint and Notice of Opportunity for Hearing (the Complaint) and supporting documents in the above-referenced proceeding. This Complaint alleges violations of Section 409 of the Toxic Substances Control Act, as amended, 15 U.S.C. § 2689, and regulations promulgated pursuant to Section 1018 of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4851 *et seq.*, and set forth at 40 C.F.R. Part 745, Subpart F.

You have the right to a formal hearing to contest any of the allegations in the Complaint and/or to contest the penalty proposed in the Complaint.

If you wish to contest the allegations or the penalty proposed in the Complaint, you must file an Answer within **thirty (30)** days of your receipt of the enclosed Complaint to the Environmental Protection Agency's (EPA) Regional Hearing Clerk at the following address:

Regional Hearing Clerk
U.S. Environmental Protection Agency, Region 2
290 Broadway, 16th Floor
New York, New York 10007-1866

If you do not file an Answer within thirty (30) days of receipt of this Complaint and have not obtained a formal extension for filing an Answer from the Regional Judicial Officer, a default order may be entered against you and the entire proposed penalty may be assessed without further proceedings.

Whether or not you request a formal hearing, you may request an informal conference with EPA to discuss any issue relating to the alleged violations and the amount of the proposed penalty. EPA encourages all parties against whom it files a Complaint to pursue the possibility of settlement and to have an informal conference with EPA. However, a request for an informal conference **does not** substitute for a written Answer, affect what you may choose to say in an Answer, or extend the thirty (30) days by which you must file an Answer requesting a hearing.

Enclosed is a copy of the "Consolidated Rules of Practice" (CROP), which govern this proceeding and are codified at 40 C.F.R. Part 22 (amended May 22, 2017). For your general information, I have also enclosed a "U.S. EPA Small Business Resources Information Sheet," which may or may not apply to you.

EPA encourages the use of Supplemental Environmental Projects (SEPs), where appropriate, as part of any settlement. I therefore have also enclosed a brochure on "The 2015 Update to the 1998 U.S. EPA's Supplemental Environmental Projects Policy." Please note that SEPs are only available as part of a negotiated settlement and are not available if this case has to be resolved by a formal adjudication.

If you have any questions or wish to schedule an informal settlement conference, please contact the attorney whose name is listed in the Complaint.

Sincerely yours,

Dore LaPosta Director
Division of Enforcement and Compliance Assistance
